WHY TOUR WITH US?

FROM PEDAL TO PILLOW

Every bike tour is supported by a Support and Gear vehicle (SAG) and a sweep rider guide to ensure a smooth day from start to finish. We also provide best-in-class, easy-to-use GPS technology for effortless navigation. From first pedal stroke to your happy, tired head hitting the pillow...we've got you!

ACCOMMODATIONS

We select hotels and inns with a relaxing ambiance, sumptuously delicious meals, and comfortable accommodations. Extras include hot springs soaks, wine tastings, bird watching, history lessons, etc...you never know what we'll throw in that will surprise and delight you.

BEST-IN-SHOW ROUTES

Each tour is designed to showcase the best of a region and allow you to ride at your own pace. We personally test ride each tour, including meeting all the people, staying in the same inns, and sampling the delicious fare. We pride ourselves on reliability and quality—your satisfaction is our sole focus.

YOUR GUIDES

Our guides are passionate cyclists, historians, ornithologists, storytellers, and writers. Most importantly, they're dedicated to taking care of you. They can fix your flat, adjust your derailleur, and motivate you up that final hill. They'll ensure you're comfortable with daily route directions and your GPS device, and make sure no one is left behind.

MAXIMUM RIDE TIME

When we say, "6-day tour," we mean it. Many companies use the first day as an introduction, but we believe you should bike on every single day of your tour. Come log some miles, explore new places, and enjoy the great outdoors with us. Find out firsthand why guests who have biked with other bicycle touring companies now prefer Wilderness Voyageurs!

THE BEST PART...

INTIMATE GROUPS

Your two tour guides give you a great deal of personal attention. We keep the group size small, with a maximum of 14 riders. These small group sizes also lend themselves to building new friendships and deepening existing ones.

COMING SOON

More exciting tours are headed your way! Visit our website or subscribe to our email list to stay updated on new destinations and departures that are released throughout the year.

GRAVEL TOURS

OFF THE BEATEN PATH...

Gravel routes combine the best of road riding on lesser-trafficked and more scenic roads. We have crafted thrilling cycling tours of some of the country's best gravel routes. Experience unpaved roads and trails that showcase stunning natural landscapes that few get to experience.

BUT FULLY SUPPORTED!

Enjoy two professional guides and a support vehicle to lighten your load. Leave the tent behind and relax in charming inns after a day of riding. With tested routes and all meals, snacks, and hydration provided, you can focus on your adventure!

"We were on the Seneca Lake Backroads and Brews tour and everything was wonderful. TOTALLY impressed by your company and I plan to take more trips with you in the future. From the initial communications with Tracy Holt to the great email communications to the amazing tour guides (Paul and Rachel), I was just blown away on how well everything was handled."

— Randy U., Westford, MA

NY SENECA LAKE BACKROADS & BREWS

This tour is an approachable, multi-surface ride based alongside New York's largest Finger Lake, Seneca Lake. The routes follow a mix of backroads, dirt roads, and rail-trails near the Finger Lakes National Forest. We'll spend all three nights at the Lodge at Grist Iron Brewing Co.

TOUR HIGHLIGHT Grist Iron Brewing

We think nothing pairs better with biking than beer. How about basing your vacation out of a brewery that has amazing sunsets over Seneca Lake? Perfect!

AZ SAGUAROS & SUNSHINE

Feel the itch to bike in the winter? Time to head southwest. The sun and casual biking in the Sonoran Desert will put a smile on your face. A mix of Native American and Spanish history and culture make the "Old Pueblo" an intriguing and lovely place to meander. A bonus, Tucson was the first American city to be designated a "City of Gastronomy" by UNESCO.

TOUR HIGHLIGHT Saguario National Park

Best known as home to the largest cacti in the US, it also contains 6 distinct biotic communities. The archeological sites also span an impressive 8,000 years!

WILD & WONDERFUL WEST VIRGINIA

Country roads will take you home to the heart of Appalachia and some rowdy dirt riding, including Canaan Valley. We will cycle through giant hemlocks, red spruce and dense stands of rhododendron. The quirky mountain town of Davis, WV, will be our base, providing great food, music, and good old-fashioned porch time.

TOUR HIGHLIGHT Monongahela National Forest

One of our most ecologically diverse, and least visited national forests! Rugged landscapes, big views, blueberry thickets, highland bogs, and the headwaters of six major river systems.

CUBA INTERNATIONAL ROAD BIKE TOURS

QUINTESSENTIAL WEST

3

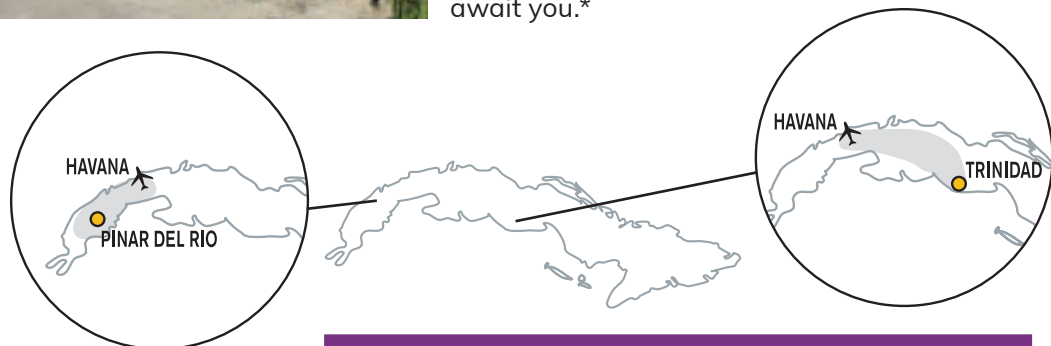

Create your own Cuban legend on our intermediate tour of western Cuba. Explore vivacious Havana before heading into rural Cuba and its lush, spring-green tobacco fields and the unique Mogote hill formations. Enjoy daily people-to-people interactions with the locals who make Cuba what it is! Cycle past working farms and small villages, bike along the coast, and relax with a mojito (or two).*

CLÁSICO

2

Experience the sounds, sights, and culture of Central Cuba as you pedal through the vibrant cities of Havana, Remedios, and Sancti Spíritus. This relatively easy and flat tour also includes a leisurely kayak paddle ideal for novice paddlers. Caribbean waters, waving palms, wildlife, and plenty of intimate interactions with Cuba's local artists, students, and market vendors await you.*

	Tour Length	Daily Mileage	Tour Dates	Meals Included	Meeting Place	Price
Cuba Quintessential West	8 Days/ 7 nights	30 - 40 miles	March & December call or visit web	8 B, 7 L, 7 D	Havana, Cuba	Call or visit web
Cuba Clásico	9 days/ 8 nights	18 - 45 miles	March & December call or visit web	8 B, 8 L, 8 D	Havana, Cuba	Call or visit web

*Please note: The itinerary and activities of Cuba tours are subject to change due to factors such as weather, transportation schedules, and availability of guest speakers. We always attempt to replace missed activities with similar opportunities that maintain the same spirit of each tour as well as our focus on support for the Cuban people.

Enjoy handpicked bikes and tailored sizing.

We handpick the best gravel and hybrid bikes from Kona and Marin to ensure a smooth, fun ride. Flat-bar, drop-bar, and step-thru bikes are available on every trip. Our mechanics carefully size your bike using your height and inseam for the perfect fit and maximum comfort.

RENTAL E-BIKES

Our rental e-bikes are Class-1 pedal assist and are equipped with Shimano's STEPs drive motor. Flat-bar hybrid e-bikes are available on every trip. Your guides will make sure your battery is topped off at the end of every ride, so there's never a worry about making it up that next climb!

* Bring your own pedals and/or seat and your guides will install them for you on the first day of your trip!

Or bring your own!

Please make sure that your bike is appropriate for the riding surface on your trip, and have your bike tuned at your local bike shop before your trip. Unfortunately, we're unable to accommodate trikes or recumbents due to transportation and storage challenges.

E-BIKE REQUIREMENTS

If bringing your own, only Class-1 pedal-assist e-bikes (no throttle, max speed 20 mph) are allowed. E-bikes must weigh under 45 lbs and have tires under 3 inches wide due to transport logistics.
